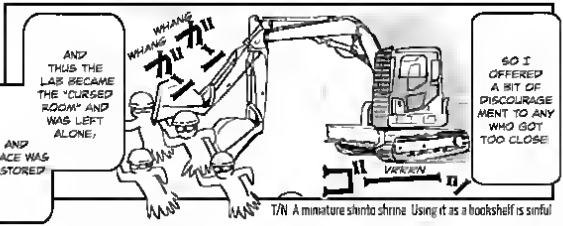
If you can't tell, it's a room from the old library!
And it's preservation came about thanks to one brave fellow!
Umph!
and all the personal junk in it get left like this?
cough cough
Anyway, how did this decrepit room

I WILL DEFEND THIS ROOM—MY CASTLE—TO THE DEATH!
AS IF I'LL LET YOU DEMOLISH THE KEY TO SOLVING THE MYSTERY OF MY DEMISE!
LAST SPRING, THE OLD LIBRARY WAS SLATED TO BE TORN DOWN AND REBUILT



AND THUS THE LAB BECAME THE "CURSED ROOM" AND WAS LEFT ALONE;
AND PEACE WAS RESTORED
WHANG WHANG
VRRRRN
SO I OFFERED A BIT OF DISCOURAGEMENT TO ANY WHO GOT TOO CLOSE

T/N A miniature shinto shrine. Using it as a bookshelf is sinful
